Axiomteks GOT3157W-881-PCT 15.6" WXGA TFT Fanless Multi-Touch Panel PC

Axiomtek, one of the world's leading designers and manufacturers of innovative, high performance and reliable PC-based industrial computer products, is pleased to introduce the GOT3157W-881-PCT, its 15.6-inch WXGA fanless multi-touch panel computer featuring 4th generation Intel® Core™, Pentium® or Celeron® processor. The wide-screen industrial panel PC is equipped with a projected capacitive touchscreen with a brightness of 400 nits and can display contents in HD resolution. The fanless design and waterproof IP65-rated front panel make it highly reliable and resistant to damage from water spillage and dust ingress. The powerful 15.6" Intel® Haswell-based GOT3157W-881-PCT is a robust and reliable control solution for machine control, smart factory automation, motion control, automated optical inspection, digital signage, retail, and remote control in plant site.

Advanced Features:

- 15.6-inch WXGA projected capacitive multi-touch screen
- Fanless design with LGA1150 socket 4th generation Intel® Core™ i7/i5/i3 & Celeron® processor (Haswell)
- Supports 2.5" SATA HDD, CFast™ and mSATA
- Supports WLAN module & antenna (optional)
- Supports 2 Gigabit LAN, 2 USB 3.0, 2 USB 2.0 and 2 COM ports
- IP65 front bezel and rugged design

- Supports panel mount and optional VESA arm/desktop stand/wall mount
- Supports dual PCI Express Mini Card slots
